

## Videos from Europe's biggest tech newsroom

If you thought entertainment and serious tech journalism were mutually exclusive, you haven't heard of c't 3003 yet! In weekly YouTube videos, experienced video makers Jan-Keno Janssen and Johannes Börnsen highlight everything that comes under their wing – from the Raspberry Pi to smartphones to electric scooters: sometimes silly, but always technically sound. What sets c't 3003 apart from other YouTube channels is the expertise of Europe's largest tech editorial team: over 60 c't editors support the channel with their know-how.
