

# ICT - DISTRIBUTION I/2023

## Hardware Special: PCs, Servers & Storage

Software-defined solutions, hyper-converged infrastructure and IaaS services – we take a close look at the trends on the server market. We also highlight the latest developments in PCs and storage solutions.

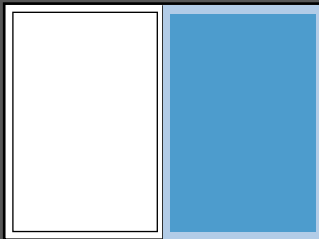

## The most important hardware manufacturers and distributors at a glance

- New business opportunities for IT system houses
- Analyses by market experts
- Shortages: Where are supply bottlenecks still looming?
