We Are Developers! 2024

We Are Developers! – The magazine for developers and those who want to become one.

Reach a top target group of more than 185,000 Heise subscribers from c't magazin and iX. In addition to the print edition, the magazine is distributed as a digital edition to a large number of young developers (free and interactive PDF version).

The digital edition is advertised via heise online, WeAreDevelopers GmbH and additional promotional activities. Thus 30,000 registered users of WeAreDevelopers get access to the digital version of the magazine, in addition 90,000 WeAreDevelopers followers are informed about the issue (incl. links) and 12,000 subscribers are made aware of the magazine directly via newsletter.

c't, iX and heise Developer have the readers and users you need: IT and software professionals, IT engineers, innovation managers and a broad readership interested in IT and technology.

WeAreDevelopers provides a developer platform on this topic, that simply matches perfectly!

We look forward to having you join us!
