### Sony's 100 mm macro lens put to the test

Spring is just around the corner, and with it comes the time when the first macro subjects in the form of spring flowers emerge from the snow. We test how Sony's 100 mm macro lens performs in practice and advise who it is suitable for!

### Apexel telephoto lens kit for smartphones

Smartphones are conquering the world of photography – but when it comes to telephoto lenses, they still have their limitations. Our test shows how an external 50x telephoto lens for cell phones closes this gap and opens up new fields of application even for mid-range smartphones.

### Camera tests:

#### Canon EOS R6 III and Sony Alpha 7 V

We test the latest camera models from Canon and Sony. In addition to measurements in the lab, we put the cameras to the test in practice, rank them, and advise who the Canon EOS R6 III and Sony Alpha 7 V are suitable for and what alternatives are available.
